Saturday Night MONTHLY Game

UNDERCOVER

Mark off the numbers on the board BEFORE we start.

Bonus draws from "CARD" number on back

We do just one more on Undercover too so don't turn it over when someone wins!

After EVERY full card is won we draw ONE more number. Win the Full card on THAT number to win bonus CASH!

FREE Quick 5

This book is FREE but it is called faster than regular book. A bit of a teaser of what Speedy bingo is like, but is a little slower than Speedy. If playing a PET the number of games is same as your FIRST book of 10. If purchased paper book you will be given a half or full book - your choice. Is still 4 chances to win in each game, FREE - but still CASH to be won.

Win a full card on any game in blue book and win a bonus \$50 for you **and** every other player on YOUR table. Last number called must be on ticket, excludes just 1 more
